Learn more about CWS

-Food Security

Food security occurs when people have consistent access to sufficient safe and nutritious food to maintain a healthy and active life.

-Emergencies

WS provides assistance to communities impacted by disaster — and stays for the long term to ensure that vulnerable persons recover and are prepared for the future.

-Immigrants & Refugees

More than 15.5 million people around the world are refugees – uprooted by persecution and armed conflict. CWS assists refugees and displaced persons in many ways. CWS offices and affiliates provide immigration legal services, including assistance with travel documents, petitions for family members and more.

-Women & Children

Women make up approximately one half the population of the world, yet nearly two-thirds of the world's illiterate are women. All around the globe women face hardship caused by lack of education, lack of opportunity and lack of equality. It is a recipe guaranteed to perpetuate the patterns that trap so many of them – and their children – in poverty.

-Water

More than one billion people lack access to safe water – and more than 2.1 million of them die each year from waterborne diseases. We're helping change that.

Where does the money raised for CROP Walk go?

The money raised goes to a variety of programs to relieve hunger and poverty and respond to emergency situations around the world.

25% of the money we raise stays right here in Dutchess County to help fight hunger in our own community. In 2015 over \$10,000 from our CROP Walk went to four local organizations to help fight hunger: Dutchess Outreach, the Community Action Agency, the Beulah Baptist Saturday Soup Kitchen and the Fishkill Reformed Church Food Pantry benefited.

When is the money collected?

After the walk, each organization's recruiter collects the money raised by his or her team of walkers and turns it in to DCIC at the CROP Walk Harvest Event. The money is then sent to Church World Service who sends us back our local share.

In 2016, over 450 walkers from over 50 congregations, community groups, and organizations in Dutchess County raised \$60,000! The DCIC CROP Hunger Walk has consistently ranked as one of the highest yielding CROP Walks in New England.
